Date: November 01, 2026
To: Holders of LEAP Technical Manuals
Subject: Transmittal of LEAP Technical Manual Index

This is the November, 2026 revision of the LEAP Technical Manual Index. This monthly index gives the Technical Publications status for the LEAP engine models.

The index is divided into three parts:

Section 1 Component Maintenance Manuals
Section 2 Engine Manuals
Section 3 FADEC International/BAE General Practices Manual Sections

A revision bar with an asterisk in the first column shows that the document was revised since the last technical manual index was published.

All questions or comments about the LEAP Technical Manual Index should be addressed to the appropriate address below:
